# OVERVIEW

# ABOUT US

---

Established in 2017, Shatech Agri Limited is a professional products and services provider in both the agricultural and industrial sector. Specialized in Sales and Supplies of Agricultural and Industrial machinery, Motor Vehicle and Heavy Duty Machinery Maintenance and Repairs, as well as Agricultural Business Management and consultancy, The management and staff at Shatech Agri Limited have a wealth of knowledge and experience gained through working within the aforementioned industries for many years. Shatech Agri Limited has continued to develop the skills of the personnel with on-going product training for the whole team.

One of the main reasons for the success of the company is our policy of if we sell it; we keep the parts for it. This gives us the ability to have a quick response to our clients. We believe that quality service is fundamental to the success of our own and our customers' businesses.

# OUR MISSION

---

To be the leading provider of high quality, affordable, comprehensive agricultural and industrial mechanization products and services to the Zambian and Southern Africa region Markets through a highly dedicated team of experts supported by the state of art technology.

# OUR VISION

---

Our vision is to build a company that relentlessly adds value to what it does (products and services) and for whom it does it for (clients) & through whom it does (employees). Markets through a highly dedicated team of experts supported by the state of art technology.

## KEYS FOR DEVELOPMENT

---

- Desire for Excellence
- Trust and confidence build-up
- Innovation
- Transparency
- Teamwork

## WHAT WE BELIEVE IN

---

- Motivation
- Collective responsibility and leadership
- Professionalism and ethics
- Adding values to our client needs

# SAFETY, HEALTH & ENVIRONMENTAL POLICY

---

Shatech Agri limited believes in ALL our employees, contractors and clients in being fully involved in all aspects of the promotion and maintenance of Health and Safety, in order to establish and maintain the highest standards of health, safety and environmental practices.

In addition, the Company strives to uphold the values of good corporate governance and seek to contribute to the wider economic, social and environmental well being of Zambia and Southern Africa Region.

In order to provide practical expression to the Vision of the company and to measure its progress, the company has the following aims:

1. Maintain Safety and Health as a core value that drives overall performance of the organisation.
2. To encourage all members of staff to be champions of safety and health both on and off the job.
3. To identify, eliminate or control all safety and health risks in any work area in which our services are being performed.
4. To prevent work related injuries and illnesses of employees and property damage incidents during any activities.
5. To continuously identify and implement safe and healthy methodologies in all our operations

To whom it may concern,

We are writing this letter to recommend Shatech Agri Ltd for providing support services on your material handling. Shatech Agri Ltd has been providing us with support services on our fleet of forklifts in all our plants; Maltings, Mungwi and Ndola plants for the past 3 years now. Their services to us include repair maintenance, diagnostic solutions, and supply of forklift parts for both Linde and Toyota models.

Our recent big project with them was to supply 5 brand new Linde, 4ton machines to add on to our forklift fleet.

Since the time of engagement with us, Shatech has shown a lot of professionalism in their dealings with the business and service level meets our expectations.

It's with these few reasons that we would recommend Shatech for any business engagement which you might want to consider them for.

Your sincerely,

Chirwa Master
